Sponsor: Sibley, Roderick L.

Greetings, Sponsorship is not just providing support. It's an investment into the promise of tomorrow and a belief in potential. I am Brother Roderick L. Sibley, and it is with great enthusiasm that I submit this letter, acknowledging my sponsorship of Mr. Nazhir D. Carter. My personal commitment to support Nazhir is influenced by the essence of our mission, supporting his ambitions to serve with others, promoting academic excellence, encouraging personal growth, and upholding the dignity of himself and other individuals. When I think about a young man who best exemplifies being an overcomer, when faced with obstacles and adversity, that is Nazhir Carter. One of the main compliments to this young man is that he hasn't allowed his disability to prevent him from accomplishing his goals and admirations in life. He excelled as a student athlete, while being an Honor student and has since continued to follow his dreams, leveraging his professional background to fuel his ambitions as a professional track and field athlete. He continues to impress me with his maturity, vision, and personal sense of responsibility towards making an impact on the world. His dedication to serving, passion for the arts, and his determination as an athlete is remarkable. Nazhir is a proud 2024 Cum Laude graduate of Prairie View A&M University (PVAMU) where he earned his B.A. in Mass Communications and a minor in Music. He achieved academic excellence as a Dean's List scholar and was inducted into multiple academic national honor societies within his area of study. Nazhir's academic achievements not only kept him on track to graduate on time but also graduated one hundred percent debt free, the first to achieve this status in his family. As an Academic Enrichment Specialist with Lewisville Independent School District, Nazhir has been responsible for developing engaging activities and innovative lesson plans that foster critical thinking and growth in middle school students. However, his dedication to our youth extends beyond his commitment to the academic community. As a professional athlete, Nazhir carries a passion for youth development, which is evident through his roles as an Athletic Development Specialist, Youth Coach, and his work with the Texas Legends G League in Frisco, Tx. He has implemented programs that enhance performance while instilling confidence, leadership, and resilience in young athletes. Having the examples of his father, myself as his stepfather, and other influential men in his life who are members of Alpha Phi Alpha Fraternity, Inc. set the tone for his ambitions. He is a former member of Rho Nu Lambda's Alpha Scholars Mentoring Program, where he developed life skills and learned the importance of brotherhood. While at PVAMU, Nazhir was a member of the NAACP, National Association of Black Journalists (NABJ), and supported several community service initiatives, both on and off campus within the greater Houston area. Nazhir currently provides technical experience in audio/visual production and event coordination through active service in his church's media ministry. He's also worked with elementary school students within Carrollton/Farmers Branch ISD, has volunteered with the Karen Hands Foundation providing clothing and meals for underserved families within the Dallas area, and supported the G.I.F.T.4.S. Academy, affiliated with the Michael Finley Foundation. Nazhir is the epitome of the kind of young man that this world will need as a future leader and role model for his generation. His courageous approach to life and his faith will continue to allow him to excel. I have witnessed Nazhir's journey, maturing and preparing himself for greater opportunities. This is a young man who decided, "Faith without works is dead" and has pushed himself in areas where others have quit. I am honored to have the opportunity to serve as a sponsor for Mr. Nazhir Carter. Thank you for your time a consideration with this matter.
